To register:

Click on the above links to navigate to training details and register. Additional training events will be posted in the *My Calendar* menu option in Colorado Shines PDIS as they become available. You may contact the PDIS Help Desk (1.844.447.4441 or cdec_pdishelp@state.co.us) if you need assistance with any Colorado Shines PDIS registration. Please make sure the email listed in the My Profile>Personal area of your PDIS account contains an active email address before you request registration. All communication for training takes place through this email. Contact the PDIS Help Desk (cdec_pdishelp@state.co.us) to update your email address, if necessary.

Directors and Professional Development Coordinators:

Visit [Available TAP Recognized Training](#) to view a list of training you may arrange for your program. Contact the Training Alignment Coordinator, Mary Heffernan, mary.heffernan@state.co.us, if you'd like to offer training through TAP and the Colorado Shines PDIS or visit [Apply to Have Your Training Appear in PDIS \(TAP\)](#).

Relationship-Based Care and Trauma-Responsive Care Training Opportunities:

Visit [Available TAP Recognized Training](#) to view training topics in these subject areas. Contact a trainer in your geographic area to discuss options and arrange for a training session.

eLearning Opportunity to Support Caregivers Who Work with Infants and Toddlers:

Start Strong: Social Emotional Learning (SEL) Foundations and Resiliency in Infants and Toddlers is provided by Conscious Discipline and made available to Colorado early childhood professionals by [Early Learning Ventures](#). This eLearning experience addresses the needs of the adult caregiver first, and then addresses the needs of the child during the critical early

years of development. Earn 12 social-emotional clock hours. Login to [Colorado Shines PDIS](#), select Learning>Learner Home and enter the course title into the search bar.

Introduction to Universal Design and Project Include:

An online self-paced course introducing universal design concepts to include children of all ability levels in early childhood environments. This course is the first step to participating in [Project Include: Early Childhood Access through Adaptive Technology](#). Participating in Project Include is not a requirement to take this course. To register for the online self-paced course, login to [Colorado Shines PDIS](#), select the main menu navigation then Learning>Learning Search. Enter the course title into the search bar, select the course, and then Open Curriculum. **El curso está disponible en español: Introducción al Diseño Universal - El Centro de Diseño e Ingeniería Inclusivos de la Universidad de Colorado Denver.**
